

**Collège O'Sullivan de Montréal inc. is proud to invite you to its Open House on Tuesday
February 20th, 2024.**

Admissions, Loans and Bursaries, and Placement teams, as well as experienced teachers and student ambassadors will be present to guide visitors and answer questions!

This is a not-to-be-missed event for those interested in the fields of **Paralegal, Film and Television, Cybersecurity and IT, Medical Records or Office management**. We offer many programs that will help you start an exciting career quickly.

New programs:

- ACS in « Stratégies marketing WEB des réseaux sociaux » (offered in French)
- DCS in Computer Science Technology (offered in French and in English)

Our advantages:

- Numerous job placement and internship opportunities due to excellent long lasting employer relationships (Over 100 years of trusted collaboration) and our lifelong placement service
- Located downtown (easily accessible)
- Financial assistance is available.

Why participate?

- To learn more about our unique programs and the remarkable placement rates of our graduates.
- To get answers to your questions about the college and the services offered.
- ***To save the \$50 admission fee by registering online on that day (at any time).***

Collège O'Sullivan de Montréal inc. was founded in 1916! **Our goal? Is to open a world of possibilities for your future!**
